

Peace & Nature Participation Agreement Form

Peace & Nature (P&N) will make the utmost effort for all participants to enjoy a safe and worthwhile activity. We ask participants to read the following conditions and submit this Participation Agreement Form. Please understand and agree to these conditions and take responsibility for your participation so that participants and children can all continue to enjoy these activities together in the future.

Conditions

1. Our activities take place in nature, and we sometimes use tools. Please understand that injuries, accidents, animal hazards, and natural disasters (lightning, heavy rain, heavy wind, etc.) may occur, and please assume responsibility for your own participation in the unlikely event that an injury or accident should occur.
2. Parents or guardians of small children must keep an eye on their children to prevent accidents. Please remain with your children at all times during the activity. We cannot assume responsibility for injuries.
3. We sometimes use sharp farming tools or scissors during our activities. Family members must watch and assist children who take part in these activities, especially small children.
4. Small animals, snakes, bees, and other living things may suddenly appear during activities in nature. Please be cautious. If you discover an animal, do not touch, and inform a nearby staff member.
(The yamakagashi [*Rhabdophis tigrinus*] snake is poisonous. These snakes are difficult to identify. Do not touch any snakes.)
5. Summer activities occur in hot weather. Please take small amounts of fluid regularly to prevent heat stroke.
6. We sometimes serve food in our workshops. Individuals (or family members) are responsible for making decisions on food allergies and acting accordingly.
7. Staff take photos and videos during our activities, which may be posted on our website, Facebook, or print flyers. Please let us know in advance if you do not wish to appear in these media.
8. Road is narrow, and parking spaces are limited. Please be careful to make sure that no children are nearby when moving your car.
9. Do not eat vegetables or plants without confirming their safety.
10. You are responsible for taking care of your own belongings and valuables.
11. Please take home your own garbage.
12. All events and workshops are non-smoking.
13. Please be considerate of our neighbors and local farmers during our activities.

14. Our workshops have a limited number of participants. Please avoid cancellation if at all possible. The cancellation fee will be 50% on the previous day and 100% on the day.

P&N hopes to continue enjoying our activities with all of you, and we need your understanding and help. We encourage you to think for yourself and make an effort so that all our members and participants can have a great time together! Thank you.
